LEGACY VINYL FLOORING SPECIFICATIONS

SPC VINYL Flooring is Revolutionizing Today's Flooring Market

SPC is a substantial technical upgrade to WPC, wood composite core materials. Why pay more for obsolete WPC when you can get the newest technology in the flooring industry with Stone Polymer Composite (SPC) flooring at Journey Flooring & Finishings.

Our LEGACY vinyl plank and vinyl tile product lines have been designed with you in mind. Whether you're a contractor wanting top quality product or a property manager in need of a waterproof, resilient floor we are confident this product will be your flooring of choice.
